

The Saluki or Gazelle Hound Club Open Show 20.07.24

It was an honour and a privilege to judge SGHC Open show, thank you to the officers and committee for all their hard work and to those members who put my name forward. It was a long day for some of the dogs being second in the ring and then the Open show followed. I would also like to thank my steward Linda Aldous. A little disappointed in some exhibits having dirty teeth though the overall entry was good with some lovely quality dogs to go over, thank you all for supporting me and allowing me to judge your dogs and accepting my placings.
